

Subject: Majorca gluten free

To whom it may concern,

Let me briefly introduce myself, I'm Carmen Barcelo, I live in Mallorca, and I have a son who suffers from coeliac disease. In Spain you still have difficulties with that, but our associations are doing a lot of things to overcome it. We are aware that we receive a lot of visitors from several countries, and some of the visitors could suffer from celiac disease.

We are grateful to inform you that in Palma de Mallorca airport (Son Sant Juan) now is available a few products gluten free, in the following places:

BAR FOOD GALLERY 4º FLOOR EXIT
BAR MEDAS READY TERMINAL A
BAR BIER GARDEN TERMINAL C
BAR MEDAS BIER TERMINAL D
BAR ARS 4º PLANTA – COMING SOON

In the first phase, these products are available:

Magdalena (Muffin) 4 units and Hamburguer bread (2 units), these products are labeled with the graphic symbol for gluten free.

In a second phase there will be other products.

We also have free gluten menus in Corte Ingles (in Palma), Ikea, Bar Ronda (Manacor, when you could taste pizzas, donuts and wonderful local dishes), and there are such a restaurants indicated in www.infoceliaquia.org

We are also preparing a travel guide: Visiting Majorca gluten free, when we have finished it we'll send it to you.

If you require any further information, feel free to contact me.
Yours faithfully,

Carmen Barceló
